Google has come out with a smoother icon every New Android is released. This icon always makes the material design better. If you're interested in using another type of icon pack for your Android phone, you can read from this list of the best icon pack you can get for free in the Play Store. Apart from installing a new icon pack, using a good Android launcher as a combination could make your phone look Great. That's why we made this article, if you're using one of the best Android launchers in the Play Store, but wanting additional icon packages, here's the list to that. 1. H2O Free Icon Pack Just as the name suggests, this icon pack app offers smooth and icons which has water theme. It looks like this with its rounded application icons. They also offer these icons in flat design, though not entirely flat, with addition of rounded icon shape with little gradient. Download H2O Icon Pack in Play Store 2. Lines – Icon Pack (Free Version) This developer made this premium icon pack app its free version. You'll get white icon bunches that could surprisingly be used for dark theme home screen wallpaper. This app gives you a great icon that looks so simple and the black-white theme makes your screen look easier to see, especially if you like the dark theme of your Android phone. Download Line Icon Pack in Play Store 3. Polycorn Icon Pack Polycorn is one of the most popular icon packs at the moment. But unfortunately the developer removed the app from the Play Store for unknown reasons. That doesn't mean I can't download them, though. Polycorn offers lots of great icon that looks modern, simple and elegant. This is good for android material design. Download Polycorn in APKPure 4. Viral Free Icon Pack This app offers the most premium icon pack you can have for free. Yes, for free. They offer a type of cool flat design icons that resemble the pixel look. The icon shape is mainly circle and looks a little inconsistent, but it still looks totally impressive if you just want the coolest icon pack you can get for free. This app has a 4.6 star rating with 8K reviews. Download Viral Icon Pack in Play Store 5. Pix UI Icon Pack 2 This app has a lot of Pixel icon pack that looks just like if this is the real Pixel icon pack. If you don't have the latest version of Android or don't have a Pixel phone, this app in your icon pack is for you. This app provides a fully complete pixel icon and if this app doesn't have the icon you want, you can only request it. Download Pix UI Icon Pack in Play Store 6. Retro Icon Pack Retro is the icon package that offers retro or old-looking icons. All you see there would be bunches of old icon that looks old, with yellow light, and some icons just seem different and inconsistent. This icon pack is great for those who want nostalgic with their apps that get used to decades ago. Download Retro Icon Pack in Play Store 7. CandyCons Icon Pack CandyCons offers a totally different kind of icon pack. They don't really look modern or match the material design on your Android phone, but they offer more icon than any other icon pack. It has a review score of 4.5 stars with 31,000 reviews. The icon design they provide looks good, but not really great. This app not only provides icon packs, but also wallpapers you can get for free, Download CandyCons in Play Store 8. Glim Free Flat Icon Pack Glim is the type of icon pack that has variety of color you can choose from. Just look at the screenshot above, the icon pack app provide five color of each icon of the apps. This is amazing if you just get bored with an icon color, or when you want to match your icon look to your home screen wallpaper. This application has a score of 4.5 stars with 8K reviews. Download Download Icon Pack in Play Store 9. Rogus Icon Pack This is a freemium icon pack that has a review score of 4.7 stars with 8K reviews. This app looks like the paper icon pack we've talked about before, but a little unique and doesn't object as paper. This is a vector-based icon that currently reaches 3800 icons. You can download this premium icon pack app for free. Download Rogus Icon Pack in Play Store 10. Delta Icon Pack Delta Icon Pack offers a slightly customized material icons design. You can still hear your familiar Google icons here, but with a little difference. This icon pack looks totally cool with dark home screen wallpaper. Unfortunately, this app is currently on a biannual break from developers, so they don't bring updates that often. Download Delta Icon Pack in Play Store 11. Moonrise Icon Pack Moonrise is the kind of icon pack application that made border thick on every icon offer. They also do it rounded up, and some icons just look different and a little inconsistent. But that doesn't mean this icon pack isn't worth trying. You can get it for free, though. This app has a 4.5 star rating with 7K reviews, so they certainly offer high quality icon packs. Download Moonrise Icon Pack in Play Store 12. Revolution Icon Pack Revolution icon pack is just typical Pixel icon pack. But that doesn't mean this app is a no because it has a 4.4 star rating with 1K reviews. This app provides all the icons for free and even made variety of icon you can choose from. For a free icon pack app, this app is a good one to go to. Download Revolution Icon Pack in Play Store 13. Backdrop Icon Pack This icon package application has a type of cartoon icon. It has black border on every icon that make it look adorable. This icon has a dark style of the Pixel icon with a beautiful color. This app is paid for and currently costs around \$6, and surprisingly has a 4.8 star rating with only hundreds of reviews. Download Backdrop Icon Pack in Play Store 14. Minma Icon Pack This icon pack offers totally different from most of the icon pack application in this list. They provide really modern and futuristic icon form and design. All icons are great for any form of icon you choose in the launcher application and, surprisingly, have made it complete as if no application is lost. This app has a 4.3 star rating with 1K reviews. Download Icon Pack minma in Play Store 15. Whicons Icon Pack (White Icons) Like the name suggests, this icon pack app provides only white icon of all apps in the Play Store. to those who dark wallpaper on your home screen, this icon pack app is for you. This app has a staggering score of 4.6 stars with 26K reviews, which shows that this app has great icons for the launcher app, especially Nova Launcher. Download White Icon Pack in Play Store 16. Voxel – Flat Style Icon Pack This app currently has the best flat style icon pack out there, with a 4.5 star rating with 24K reviews. That's a lot of reviews for an icon group app. Voxel has a square, luminous and flat icon where each of them looks simple and does not You can request the icon if the app loses any icons you want it to have. Download Voxel Icon Pack in Play Store 17. Paper Icon Pack If you're using Nova Launcher, Apex Launcher, Microsoft Launcher or any other Android launcher, paper might be the best icon package for you. This has paper effect of all the icons and these effects look so clean and surprisingly impressive. They look as if they would have been ripped from paper. You can pay this for about \$3. Download Paper Icon Pack in Play Store 18. Want Lite – Minimalist icons yes, this icon pack application is absolutely minimalist. They don't make striking icon with inconsistent color theme that makes you cry a little. This app is only pure white, without adding modification. This app offers hundreds of icons and has a 4.2 star rating with 8K reviews. Download Flight Lite Icon Pack in Play Store 19. RETRORIKA – Material Design + Vintage Icon Pack This is just another paid icon pack app. It offers material design with vintage palette that makes your regular Android look a little different. You currently have 4100 icons so you probably won't lose the icon you want to see there, and you can also order some new icon if you want. With a score of 4.8 stars with 8K reviews, this icon pack is great. Download Icon Pack back in Play Store 20. The Umбра Icon Pack Umбра icon pack consists of icons with sturdy dark shade and black border. This icon pack looks good for any home screen wallpaper regardless of the color domain. This icon pack currently cost about \$1 and seems like worth buying. This app also offers HD wallpaper so you don't have to find another wallpaper yourself that matches this icon pack app. Download Umбра Icon Pack in Play Store 22. Rondo – Flat Style Icon Pack Rondo is just another icon pack that has a 4.7 star rating with 15K reviews. It currently has almost 5000 icons made. Just like another icon pack app, you can also order new icon there. The design is a bit eye-catching and colorful compared to most of the Android icon pack out there. Download Rondo in the Play Store Now you've compiled a list of the best icon package for your Android launcher. If you happen to have your own favorite icon pack app, don't leave it free to leave in the comment below. Let's go to constantly this article for the freshness of this technology blog. Blog. Blog.
